Duties: Performs protective services on a military installation, guarding Government personnel, information, operations, critical assets/weapons systems, and safeguarding access to Tobyhanna Army Depot in accordance with a wide variety of Federal rules and agency/local regulations/policies. On a rotational basis, performs full range of physical security/force protection duties to include fixed post, motorized, or walking patrols/inspections of the installation. The patrol area consists of industrial facilities containing hazardous materials, Communications Security Systems areas, equipment/weapon systems for foreign military sales, munitions facilities, warehouses, buildings, parking areas, weapons holding areas, family housing units, money handling facilities, maintenance production facilities, recreation/youth/day care areas, and restricted areas containing electromechanical Intrusion Detection Systems (IDS). Also serves at fixed posts such as entry and exit gates throughout the installation

About the Position: POSITION WILL BE FILLED ON A TEMPORARY BASIS NTE 1 YEAR AND 1 DAY. SEE "OTHER INFORMATION" SECTION FOR ADDITIONAL INFORMATION. Tobyhanna Army Depot is the largest, full-service electronics maintenance facility in the Department of Defense with a total installation work force of more than 4,400. The depots mission includes design, manufacture, repair and overhaul of hundreds of electronic systems for all branches of the Armed Forces. They include satellite terminals, radio and radar systems, secure communications, electro-optics, night vision and anti-intrusion devices, airborne surveillance equipment, navigational instruments, electronic warfare, and guidance and control systems for tactical missiles. For over 50 years, Tobyhanna personnel have built a tradition of unparalleled customer satisfaction through the delivery of timely, cost-effective, and high-quality products and services. Located in Northeastern Pennsylvania, near Stroudsburg, Scranton and Wilkes-Barre.
